NOTE: Baptism by immersion was the only form of baptism practiced during Bible times and for centuries after the cross. But then, misguided men introduced other forms of baptism for the sake of convenience. Thus, God's sacred ordinance of baptism was distorted and its rich symbolic meaning obscured.

NOTE: The Scriptures are unequivocal. All of God's people are called into one body, which is the church, and we enter it by baptism. After birth, a baby must be placed in a family for nurturing, protection, and growth.
